Hello Denton Area Alumni

Think about it . . .

- When was the last time you ***connected*** with your college roommate?
- How long has it been since you ***returned*** to campus?
- Have you heard about the ***modern, global woman***, Dr. Carine Feyton, who leads TWU as Chancellor and President?
- Can you believe that the total enrollment ***exceeds 15,000*** at Denton/ Dallas/ Houston?
- Who knew there would be plans to ***transform*** Hubbard Hall into a new Student Union?
- Can you imagine a Starbuck's ***in*** the Library?!

Yes, much has changed but one thing remains the same. TWU's reputation has continued to **SOAR**, a source of pride for all her graduates. Show your loyalty by coming back to campus and supporting the University's enduring excellence. The Denton Area Alumni Chapter is sponsoring an exciting **2016-2017 Calendar of Events.** The activities provide meaningful ways for you to reunite with your classmates and other graduates and be a part of today's TWU.

In the spirit of TWU, take **ACTION!** Join us on Facebook. Call your roommate. Text a classmate. **Come back** to campus and join us for these events. You're gonna love it! See you soon!
