

WEATHERFORD COLLEGE 2005-2006 CATALOG  
EQUIVALENCY FOR TEXAS WOMAN'S UNIVERSITY 2005-2007 CATALOG

Transfer Course Equivalency Guides show courses that are transferable to TWU as direct course equivalencies. Courses that transfer but do not have direct TWU equivalencies are posted to the transcript with the course heading, a generic course number, and the title of the course, i.e BIOL\*2000 Principles of Biology. Your TWU advisor will determine how these courses may be applied to your degree plan.

Courses not listed on the Transfer Course Equivalency Guides may be transferable to TWU, but are not guaranteed to transfer. Your TWU advisor will determine if these courses transfer and how they may be applied to your degree plan.

This equivalence guide should not be construed as a contract, expressed or implied, between Texas Woman's University and any student, applicant or faculty member.
