

**TEXAS WOMAN'S UNIVERSITY
COLLEGE OF NURSING**

Pioneering Nursing's Future: An Adventure in Excellence

ASSOCIATE DEAN FOR RESEARCH AND CLINICAL SCHOLARSHIP

The College is seeking an experienced, innovative individual to develop and oversee the research initiative for the College of Nursing on all three campuses: Denton, Dallas, and Houston. This individual will lead the College of Nursing in research and clinical scholarship through maintaining an active program of research, mentoring faculty, and guiding student research. Increasing extramural funding in the College is a goal.

Qualifications

- Earned doctorate in nursing or related field with a master's degree in nursing
- Outstanding record of extramural funded program of research or scientific scholarship
- Strong leadership, integrity and organizational abilities
- Record of professional, community and university service
- Eligible for licensure as RN in Texas

POSITION: 12 month appointment. Salary and rank commensurate with education, scholarly achievements, and experience. Benefits package available.

Texas Woman's University, founded in 1901, is a public university with over 12,000 students. 91% percent of students are women; 35% are minorities, 55% are undergraduate, and 45% are graduate. The main campus is located in Denton, a city of about 100,500, located 35 miles north of Dallas and Fort Worth. TWU also has centers in Dallas and Houston. As a doctoral research-intensive public university primarily for women, Texas Woman's University is committed to the development and growth of women. Further information on the campus is available at <http://www.twu.edu>.

The College of Nursing has an enrollment of 2500 and offers baccalaureate, masters, and doctoral programs. The programs in Denton include RN to BS, RN to MS, Family Nurse Practitioner and Nurse Educator master's programs, DNP and PhD. An increasing number of courses are being offered through distance education. The baccalaureate and master's programs in nursing are accredited by the Commission on Collegiate Nursing Education. The nursing doctoral program is one of the largest in the U.S.

Successful applicants shall meet the College of Nursing's criteria for the rank of Associate Professor or Professor. Please send CV and cover letter to: facultyjobs@twu.edu (email subject line must include "**Associate Dean for Research and Clinical Scholarship 9NU10.**") For questions, please call Dr. Anne Stiles, Chair, Search Committee, TWU, College of Nursing, P.O. Box 425498, Denton, TX 76204-5498, 940-898-2401 or astiles@twu.edu

*Review of applications will begin immediately and continue until the position is filled.
