Purpose: The purpose of this policy is to address requests for space to carry out charity drives in the TWU Libraries. The TWU Libraries will adhere to the University's policy. However, additional guidelines specific to the TWU Libraries are also included in this policy.

Policy:

Box Drives and Collection of Donated Goods

Student organizations hosting box drives or collections of donated goods must contact the Center for Student Development (CSD) prior to the collection activity to receive approval for the collection and the guidelines that must be followed. (URP: IV.12.b)

Library Guidelines

1. The TWU Libraries cannot provide space for organizations who request placing a box or container in library space for collecting goods.
2. Space constraints, maintenance, and upkeep of collection drives prevent the Libraries from offering this service to TWU or outside organizations.
3. If the charity drive is specific to the Libraries, the Dean of Libraries must approve requests in advance.
4. TWU organizations can post charity drive drop box locations on the Blagg-Huey Library's digital sign after receiving approval from the Dean of Libraries.

Review:

The Library's Policy Work Group will review this policy with recommendations forwarded through normal administrative channels to the Dean of Libraries.
