Library Guidelines

Users are welcome to bring drinks into the Libraries but must protect library materials, computers, and furniture from spills and accidents. Library users may briefly remove their mask to sip from a drink.

Food and snacks of any kind will not be allowed in the Libraries during the pandemic. If you must eat, go outside of the Libraries or use the Library Balcony in the Blagg-Huey Library (off of the 1st floor).

- Leave no residue from drink;
- Drinks should be in appropriate containers with lids;
- Dispose of waste properly: recyclables in recycling bins and garbage in trash cans;
- If there is a spill, immediately notify a Security Guard or the Information Desk;

Review:

The Library’s Policy Work Group will review this policy with recommendations forwarded through normal administrative channels to the Dean of Libraries.
