## SAMPLE STATEMENTS FOR SECOND YEAR FACULTY SELF-ASSESSMENT

### OPENING STATEMENT

I began my faculty appointment at TWU in August 2020. My first year of faculty service at TWU was both productive and rewarding. The following self-assessment will discuss my performance in 2020-21 (and 1 development since then) relative to the criteria for promotion and tenure in the department of \_\_\_\_\_.

### TEACHING

My first year course load consists of the courses listed on the attached workload report. As you can see, I taught \_\_\_ courses: \_\_\_ are undergraduate and \_\_\_ are graduate. I taught a total of \_\_\_ students. In each course, the class was able to progressing through the course syllabus in a timely manner and student performance relative to course learning objectives was appropriate.

I have been granted Assistant status in the Graduate Faculty.

At this point, I have my first graduate students, and continue to serve on \_\_\_ other thesis/dissertation committees. The experience gained from these other committees has enabled me to successfully launch my first graduate student.

I now have 1 full year of student course evaluation feedback. The quantitative results reflect (modest, solid, quite positive) perceptions by students. There are 2 areas where students expressed concerns in both quantitative and qualitative responses. Those areas were \_\_\_\_\_ and \_\_\_\_\_. I have clarified my syllabus with regard to item 1 (explain) and have modified my approach to item 2 (explain). The areas that were validated by student perceptions have largely been continued from last year. I will seek some informal feedback in the middle of this semester and then await feedback from students in the Course Evaluations at the end of this semester.

### SCHOLARSHIP

With regard to my ongoing research, my lab (studio) has been fully functional since \_\_\_\_\_.

I am a member of a research team with Dr. \_\_\_\_\_. The current phase of research is planned to conclude around (month, year).

Based on the status of my/our work today, I (we) expect to submit make x presentations of my work in the next x months. Based on the feedback obtained in those settings, I (we) plan to draft and submit a manuscript for publication in (month, year).

Based on the status of my work today, I expect to submit my next/latest creative work for exhibition to \_\_\_\_\_ by (year, date).

I have applied for (University, College, Departmental) funds to facilitate the next phase of my research.

Based on the status of my work today, I expect to apply for extramural funding by (month, year).

I (solo/part of team) had \_\_\_ peer-reviewed article(s) published in the past year. (provide names, dates, etc. or state, as shown on my CV)

OR was a part of \_\_\_\_\_ exhibition(s) in the past year.

I (solo, with the following team) received TWU funding for the next phase of my research.

I (solo, with the following team) received \_\_\_\_\_ funding for the next \_\_\_ years in the amount of \$\_\_\_\_\_. The grant was for \_\_\_\_\_ topic and involves the conduct of the following (activity).

### **SERVICE**

To the profession or community:

I have applied for/continued membership in \_\_\_\_\_ society so that I can participate in the \_\_\_\_\_ conference in 2022.

I am also exploring service on the \_\_\_\_\_ of this organization.

OR I have accepted appointment to serve as \_\_\_\_\_ in this organization. I expect to provide (state benefits) to the organization and it will improve my performance as a TWU faculty member by \_\_\_\_\_.

I am one of the faculty sponsors for the \_\_\_\_\_ student club in \_\_\_\_\_.

Note: It may be premature to have multiple outcomes to discuss, but helpful to begin to think about outcomes that could be reported as part of future reviews of the contributions from your Service activities.

### **SUMMARY**

My entry into the department of \_\_\_\_\_ continued in a positive manner last year. I believe my contributions were positive and my accomplishments are appropriate for a 2<sup>nd</sup> year faculty member making progress toward an application for promotion and tenure in a few years.

Since the beginning of this academic year, I have focused my time and energy on \_\_\_\_\_ and expect that will generate outcomes for discussion in my next periodic review.

My scholarship is focused on (topic). This is in good alignment with the graduate students I am beginning to mentor in thesis/dissertation as well as my course assignments. In addition, I am aligning my service activities in the profession and community to provide a focus on (topic). My scholarship and associated activities are also supported by my collaboration with Dr(s). \_\_\_\_\_.
