

MINI-ROTATIONS SELECTION FORM

TWU School of the Sciences

Division of Biology

Master of Science - Thesis

Master of Science – Professional Paper

Ph.D. in Molecular Biology

During the first two weeks of the M.S. or Ph.D. program, students will identify and get signatures from up to *three* biology faculty that are potential advisors for their graduate research. If the student has already identified an advisor, then the student could list the identified faculty member and select two additional faculty members that they could potentially collaborate with and/or who could be a future Advisory Committee Member. Alternatively, the student may opt out of the mini-rotations program. *This form is due by the Friday of the 2nd week of the first semester.* The student and faculty should keep a copy of this form. The student is responsible for submitting the **original signed form to the Head of Research & Graduate Studies.**
