The location of the two gardens can be found as Dr. Bettye Myers Butterfly Garden I (=ASSC garden) and Carroll Abbott Wildflower Sanctuary, Dr. Bettye Myers Butterfly Garden II (=Phase II garden) under Attractions on the Denton Campus map at

<https://map.concept3d.com/?id=576#!ce/18927?ct/35188,21217?s/>

Depending on weather conditions, the dates and/or times may change on some workdays. Changes will be announced sometimes a day before the scheduled workdays. Other workdays may be added to this schedule, depending on the volunteers' interest and schedules, and depending on the work to be completed.

For questions, contact Dr. Camelia Maier, Director of The Bettye Myers Butterfly Garden ([cmaier@twu.edu](mailto:cmaier@twu.edu))
