## **Senator Processes and Procedures**

Speaker — Dr. Emarely Rosa-Dávila

In the Google Shared folder for the B meeting there is a quick reference guide for new senators. Meetings usually second Friday of the month, start at 10:00 am. Save time until 1:00 pm, because sometimes meetings run long. Speaker will try to finish earlier than that. If you have to leave early, there might not be a quorum.

This document also has all standing committee assignments, based on preferences Senators indicated. Our goal today is to select chairs for each committee. We will then come back and talk about that.

We will also select liaisons for other university committees so that senators can attend these meetings and then report back to Senate about proceedings.
