2019-2020	2	In process	In process	In process
2020-2021	5	In process	In process	In process
2021-2022	No students	No students	No students	No students
2022-2023	7	In process	In process	In process

Note: *In process* indicates that students are still in the process of completing the program within the advertised timeframe.

*Advertised program length is based on applicants from COAMFTE-Accredited Master's Programs attending full-time. Students from other programs may have additional prerequisites to complete, which will result in a longer than advertised graduate time. However, all students regardless of master's program are expected to graduate within the maximum graduation time.
