

I'm Michael Romero. I'm a Communication Sciences and Disorders major. I'm a senior. I graduate in May, and I'm here at the climbing wall at the Fit and Rec. The climbing wall is definitely a good place to meet new people. That's kinda how I met everyone at TWU. This is my second semester on campus, so when I came to the climbing wall, that's the first people I met, were some of the people here, and I would say, yeah, that's the majority of my friends at TWU. So yeah, it's a great place to meet new people. I work the other five days I'm not at school, and so on my two days off I try to do something fun, and so I was thinking of like, oh, I could just work out, and then I was like, hey, they have a climbing wall, I'll start climbing, and then that's it. I just started climbing every single week. Yeah.
