A Clubhouse enrollment form, enrollment fee, personality form, authorization form, work/class schedule form and a copy of the signed receipt of The Clubhouse Parent Handbook must be on file at the University Housing office as well as payment of tuition, by 3:00 p.m. the day before the child attends the Clubhouse. # 10 Signs of Child Abuse

You can become aware of child abuse by recognizing the signs.  
Here are 10 signs that can help.

**1. Unexplained injuries.** Visible signs of physical abuse may include unexplained burns or bruises in the shape of objects. You may also hear unconvincing explanations of a child's injuries.

**2. Changes in behavior.** Abuse can lead to many changes in a child's behavior. Abused children often appear scared, anxious, depressed, withdrawn or more aggressive.

**3. Returning to earlier behaviors.** Abused children may display behaviors shown at earlier ages, such as thumb-sucking, bed-wetting, fear of the dark or strangers. For some children, even loss of acquired language or memory problems may be an issue.

**4. Fear of going home.** Abused children may express apprehension or anxiety about leaving school or about going places with the person who is abusing them.

**5. Changes in eating.** The stress, fear and anxiety caused by abuse can lead to changes in a child's eating behaviors, which may result in weight gain or weight loss.

**6. Changes in sleeping.** Abused children may have frequent nightmares or have difficulty falling asleep, and as a result may appear tired or fatigued.

**7. Changes in school performance and attendance.** Abused children may have difficulty concentrating in school or have excessive absences, sometimes due to adults trying to hide the children's injuries from authorities.

**8. Lack of personal care or hygiene.** Abused and neglected children may appear uncared for. They may present as consistently dirty and have severe body odor, or they may lack sufficient clothing for the weather.

**9. Risk-taking behaviors.** Young people who are being abused may engage in high-risk activities such as using drugs or alcohol or carrying a weapon.

**10. Inappropriate sexual behaviors.** Children who have been sexually abused may exhibit overly sexualized behavior or use explicit sexual language.

**Some signs that a child is experiencing violence or abuse are more obvious than others. Trust your instincts. Suspected abuse is enough of a reason to contact the authorities.**

## Child Abuse Prevention

- Parents are encouraged to visit the clubhouse
- Staff and volunteers will be alerted to the physical and emotional state of all children and will notify the proper officials when any sign of injury or suspected abuse is detected.
- The clubhouse staff will not release a child to anyone other than the authorized parents/guardians or other individuals, in writing or by parent.
- Staff will ask to see a photo ID upon pick-up for anyone they do not recognize to be an authorized pick-up person.
- Criminal checks will be conducted on all staff and volunteers

## Drop off and pick up procedures

Children may not be dropped off in the Clubhouse without a staff member present. Children will only be released to a parent or person designated by the parent. If a child needs to be released to a person not designated on their paperwork, a parent must email [Clubhouse@twu.edu](mailto:Clubhouse@twu.edu) or call 940-898-3653 with the name of the person before they arrive to pick up the child. The person requesting release of the child must show a valid photo ID.

## Child Care Services (CCS)

The Clubhouse is an approved CCS vendor. Parents are required to apply for aid and must pay regular rate of tuition until their benefits begin. Parents with CCS benefits are responsible for properly checking their child in and out each day. Failure to do so can result in loss of benefits. In this case parents are charged full amount of monthly tuition. Parents should know their parent portion when they make payments. Special day fees and enrollment fees are included in the parent portion of tuition.

## Attendance

Tuition pays for your child's space during regular Clubhouse hours. Parents will not be refunded for days the child is absent due to illness or vacation.

## Child Absences

In the event that a child is absent or will not be riding the van, the parent is required to notify The Clubhouse staff at 940-898-3653 or [Clubhouse@twu.edu](mailto:Clubhouse@twu.edu). In the event no notification is made, and the school reports a child absent, the van driver will call the Clubhouse to see if there was a late notification, then call parents to see if the child is with them. If there is no answer, a message will be left requesting the parent call back. The driver will wait 5 minutes before calling one more time. After the second call with no answer, another message will be left for the parent; the van driver will then call the director and then proceed to the next school. Parents will be fined \$5.00 for the second occurrence and \$10.00 for all other occurrences in a school year. Please keep in mind that this process can delay the van to other schools and create stress for children who are waiting.

## Immunization/Hearing and Vision Requirements

Each child must meet applicable immunization requirements specified by the Texas Department of State Health Services as specified in 25 TAC Chapter 97, Subchapter B (relating to Immunization Requirements in Texas Elementary and Secondary Schools and Institutions of Higher Education).

The application packet includes a statement from you indicating that the child's immunization record is current and on file at the school that your child attends, along with a copy on-file at the clubhouse. The statement must be dated and include the name, address, and telephone number of the pre-kindergarten or school listed in the statement.

Every child four (4) years of age or older is required to have a vision and hearing screening yearly. This can be done by your child's physician. We must have current record of this screening for your child to be in care.

## Illness and Injury

If your child is ill, or has the signs or symptoms of illness, including but not limited to having a communicable disease, a temperature of 100.0 or greater, behavioral changes, vomiting and or diarrhea, he/she must be kept at home. In the event your child becomes ill while at the Clubhouse, the child will be isolated and you will be called immediately to pick up your child. Failure to respond to Clubhouse calls or an inability to pick up your child (or make arrangements for someone else to pick up your child) within one hour of notification can result in a staffing fee of \$20.00 per hour, to have individualized supervision while isolated due to illness.

Children must be fever and symptom free for 24 hours before returning to the Clubhouse. In the event that your child has come in contact with an infectious disease, or if your child is carrying an infection of any kind please notify the Clubhouse immediately. Health checks will be administered as needed. Clubhouse staff will be held to the same health standards.

## Medications

We do not administer any medication to the children in our care.

**Exception:** If a child has a recurring medical condition, such as asthma or allergic reactions, the child's parent or health care provider may sign a medication authorization form allowing Clubhouse Staff to administer the medication when symptoms occur for up to a six month period. The authorization must include information on symptoms to watch for. The parent must provide their own Sun Screen, and Bug Repellent labeled with the child's name as well as a parent's signature on the container in order for the Center to administer the product.

## Medical Emergencies

In the event of a medical emergency Clubhouse staff will immediately call TWU Department of Public Safety (2911) for emergency medical services as well as the parent/guardian. First aid/CPR will be given as needed. If the parent/guardian cannot be reached, the staff will follow directives of medical providers and will authorize transportation to the nearest medical treatment facility.

## Clubhouse Van Service

The Clubhouse vehicles will pick up children from the Denton elementary schools. Clubhouse vehicles will only pick up from the DISD schools within the Denton city limits. The clubhouse vans will also be used to transport the children to and from different on and off campus field trips. In the case of a medical emergency and we need to evacuate to a further safe spot vans may be used.

Children under the age of eight (8) years old and under four foot nine inches in height will be required to sit in a booster seat. Parents are not responsible for providing their children with booster seats.

All Clubhouse employees are required by licensing to undergo transportation safety training. Employees are trained during all pre-service trainings.

## **Drop-in Services**

Occasionally drop-in services are offered during the summer and on special days. There must be a place available for your child in our teacher to staff ratios. Drop-in rates are \$10.00 for after school services and \$30.00 per day during the summer. Parents must have all enrollment paperwork and fees paid just as regularly enrolled students. Accommodations will then be made on a space available basis.

## **Discipline and Guidance**

Discipline will be consistent and based on individual needs. It shall be of a positive nature and directed toward acceptable behavior. The Clubhouse director is always available to discuss special guidance needs and help carry over consistency guidance from home to the Clubhouse. For additional guidance information please see the Guidance Statement included in your enrollment packet.

## **Special Guidance Situations**

Children are all unique and situations that arise in the classroom are just as unique. When a serious incident occurs at the Clubhouse, parents will be notified. Parents together with the Clubhouse director will come up with appropriate actions and guidance for each specific situation. These actions can include but are not limited to creative guidance, natural consequences, suspensions and or billing for repairs needed for property of the university or other children.

In situations that include a staff member being physically injured and or Clubhouse property is broken or destroyed, parents will be called immediately. The child involved will be suspended until a parent/classroom agreement has been developed.

## Discipline and Guidance Policies

Discipline will be consistent and based on individual needs. It shall be of positive nature, directed towards acceptable behavior.

Each disciplinary measure will:

- be consistent with our policies and procedures;
- not be physically or emotionally damaging to the child;
- be appropriate to the child's age and level of understanding; and
- be appropriate to the incident and severity of the behavior demonstrated.

In addition to, the clubhouse staff will:

- document incidents
- teach social-emotional skills
- make environment modifications
- engage in discussions with parents

\*Some serious behaviors could lead up to suspension or expulsions. Discipline techniques can also be found in minimum standards.

We reserve the right to refuse or discontinue service if a child exhibits a pattern of defiance towards authority, uses excessive harsh language, or poses a threat against self, staff or the children in care.

## Parent Communication

The staff will communicate face to face daily with parents. Other means of communication will be phone calls, text messages, email, notes, classroom bulletin board on the front door and newsletters.

Parent conferences and special meeting are available any time, by appointment or the director has an open door policy during Clubhouse hours.

Parents can assume a reasonable expectation of confidentiality when meeting with the Clubhouse director. In some cases information may need to be given to classroom staff, to support the child through a difficult transitions or other information relative to serving the child and parent. Please remember that there are four cameras in the classroom and one camera in the director's office.

## Parent education

Orientation or a parent meeting is recommended before your child begins attending the Clubhouse. It is also a wonderful idea to allow your child to visit the classroom before they begin attendance. Ideas about family time, discipline and guidance, developmental milestones and much more can be found in the monthly Clubhouse newsletter.

## Parents Rights and Responsibility

Parents may visit The Clubhouse at any time during normal operating hours. Parents will be asked to sign in and out and be escorted by a Clubhouse staff member during their visit. Parents are always welcome to participate in any Clubhouse activities.

## Visitors/Observers & Volunteers

Parents/Legal guardians may visit the Clubhouse at any time during operating hours. Programs with parent involvement are frequently more effective serving the families enrolled. If you have a special talent or interest, please let the staff know. We would love to have you share your passion with the children. Parties, fieldtrips and other special events are wonderful times to build relationships with Clubhouse staff as well as offering parents an opportunity to see how the classroom operates.

Observation students, guest speakers and volunteers must go through a criminal background check before spending time in the Clubhouse classroom. Observations can be made from the observation room. People using the observation room should have previous permission from the director and sign in and out in the Clubhouse office. No more than two observation students will be allowed in the classroom at one time.

Parents who would like to observe their children in the classroom are welcome to do so in the observation room just outside the classroom door.

## Programs and activities

During the school year, the Clubhouse program includes outdoor gross motor opportunities, homework support, healthy snacks, enrichment activities, water activities and games. Programing is often supplemented by TWU Staff and organizations with puppet shows, nutrition lessons, crafts, sporting and literacy activities.

Summer activities include visits to the TWU Library, Fit and Rec, sports camps, swimming, tennis, and Zumba on campus. Off campus fieldtrips include destinations such as the zoo, museums, planetarium, and much more. The children will be transported in TWU vans.

## Enrichment Activities

All teachers will be assigned planning for one day of the week. The plan includes one classroom activity (cooking, science experiments, arts and crafts, or other learning activities) and one group game. The director has resources in the office and a list of online resources as well. The Clubhouse children will have limited access to screens of all kinds. Movies will be limited in the classroom and computer time (excluding homework) will be limited to 20 minutes each week. This practice allows the children to have social interaction with other classmates, develop emotional, language, and motor skills. Activity plan and menu can be found on the parent board above the master roll.

## Developmental Milestones for School-aged Children

The Clubhouse strives to keep your child challenged in all developmental domains (emotional, social, motor, language and cognitive). With a wide range of ages, individual and small group interactions are the best environment to measure growth and development. The director may occasionally request a meeting with parents to discuss developmental difficulties. For a complete list of developmental milestone, please visit:

During the school year, the Clubhouse provides one lunch of high nutritional value each day provided by the Intrinsic Foundation. During the summer, the Children receive a morning and afternoon snack as well as a lunch. Snack will be served family style. The children will serve themselves, including pouring their own water/milk. Teachers will sit at a table with the children while they are eating snack, to model good manners and appropriate meal time conversation. The children will clean their own area of trash and load their dishes into the dishwasher. They will then return to their seat and visit politely while their classmates finish snacks. If a child has special dietary needs or is a picky eater, parents are welcome to provide meals from home. If refrigeration is required, please make sure the meal is properly labeled with your child's name. For additional information on packing healthy lunches for children please visit <http://www.redbookmag.com/life/mom-kids/advice/g483/healthy-lunchbox-ideas/> .

We take food allergies very seriously. If a child with nut allergies is enrolled, the Clubhouse will be nut free. If your child has a nut allergy, please make sure that you notify the director. The director will then notify staff and other parents. All allergies will be posted on the Clubhouse refrigerator and updated as enrollment changes. A food allergy plan must be filled out by doctor and parent before admission.

## Safety

Children will be supervised at all times. Two teachers will always be present to ensure the safety of children. If one teacher must step away, the director will step in to help. During cooking and science projects children will not have access to liquids above 110 degrees Fahrenheit.

## Emergency Preparedness Plan

### Fire

The Clubhouse conducts fire drills once a month. In the event of a fire inside The Clubhouse the children will evacuate outside between Capps and Fitzgerald Hall at Lowry Woods. The staff will line the children up in a quick and orderly fashion, walk them to the destination with the clipboard and backpack. Once they arrive at the destination a teacher will do a count and role call. Everyone will remain until we get an all clear from proper authorities.

In the event of a fire at Lowry Woods and we need to relocate, the children will be taken to TWU Library. The address for : 1200 Frame St, Denton, Texas 76209. If weather permits students will walk. If transportation is needed for a quick and safe evacuation TWU vans will be used. In the event of a fire, parents will be notified once all children and staff are in a safe location. If we need to relocate off campus we will transport all the children to the Emily Fowler Central Library located at: 502 Oakland St, Denton, TX 76201.

## Medical

**Minor Medical:** Minor medical injuries/illnesses (i.e. falls, cuts, sprains, and strains) involving employees or children will be handled by the Clubhouse staff.

**Major Medical:** If medical attention is required, the TWU Department of Public Safety/2911 will be called to request an ambulance. If a child has to be escorted to the hospital, parents will be called immediately. The Clubhouse staff will escort the child to the nearest hospital.

## Tornado

Severe weather drills will be held quarterly. In the event of a tornado warning, TWU will implement the severe weather notification system. Safe shelter places in the Clubhouse include the office located in the Director's office, and Clubhouse restrooms. Boys will duck and cover in the boys restroom with two teachers. Girls will duck and cover in the girls restroom with two teachers. The director will take the master roll and do a face to name check in each restroom before taking cover.

All children and staff members will remain sheltered until the TWU Department of Public Safety notifies us that it is all clear.

## Bomb Threat

In the event of a bomb threat the safety of the children will be our first priority. The Clubhouse staff members will evacuate to a safe designation in accordance with our emergency preparedness plan guidelines.

## Power Failure

Power failures will be handled on a case by case basis. In the event that the power failure affects our ability to maintain a safe environment, parents will be called to come get their children from a safe location.

## Playground

The children will play outside every day that the temperature or wind chill is 42 degrees or warmer. Please send a warm jacket and hat for cold days. The benefits of outside play are many, including reducing stress, increased attention span, social skill improvement, vision and vitamin D.

- Children will be supervised by two teachers at all times when playing on the playground. If a case comes up where one teacher must leave the playground the director will be called for help.
- Children will remain inside the gate for free play. All children should participate when playing an organized group game outside the fence.
- Parents are required to sign the children out on the master roll on the playground.
- Playground safety checklist is completed each day before the children arrive.

## **Insect repellent/Sunscreen**

Due to the number of allergies that different children may have, the clubhouse will not provide Insect repellent or sunscreen to the children. If you would like your child to have insect repellent or sunscreen, please send it in Ziploc bag with child's name on it. Staff will be available to assist as needed to apply. There will need to be written documentation stating that staff has permission to assist and that the parents will provide these items.

## **Social Networking**

Clubhouse staff members are prohibited from “friending” any parent, child, or guardian of The Clubhouse. Such social networking websites include but are not limited to Facebook™, Twitter™, & Instagram™. Clubhouse staff members are not permitted to post pictures, take or make comments about any of the parents or children of The Clubhouse on any social media site.

We encourage all TWU affiliates to enroll in the Pioneer Alert system. The Pioneer Alert system can be accessed by visiting:

<http://www.twu.edu/dps/pioneeralert.asp>. Also, the Remind.com will also be used for another way of communication for those who do not have access to the TWU alert system.
