

# [ PIONEER PACT ]

**My promise to do my part to prevent the spread of COVID 19.**

As members of the on-campus community at Texas Woman's University, we must all work together to protect the health and safety of our fellow Pioneers. Each of us has a responsibility to follow safety measures and act responsibly in order to reduce the risk of spreading COVID-19 or other infections.

There are small steps each of us can take that will keep us healthy and allow us to move forward this academic year:

## I PROMISE TO:

### 1 PROTECT MYSELF

Wash my hands frequently with soap and water or use hand sanitizer.

Review the self-screening symptoms checklist daily.

Stay home if I'm feeling sick or beginning to exhibit symptoms and complete the COVID-19 Self-Screening form.

Consider whether I need to join large activities, especially if face coverings are not encouraged or required.

Get a flu vaccination this fall.

### 2 PROTECT OTHERS

Wear appropriate face covering whenever I am not in my room.

Maintain social distances in common areas; classrooms, dining hall, lobbies, etc.

Wash my hands as I enter a new space.

Encourage my friends to follow safe practices like wearing a face covering, using hand sanitizer, and social distancing when not in their room.

Refrain from attending large events where high risk contact may occur.

**I agree to abide by all federal, state and university guidelines to prevent the spread of COVID-19. Intentional or consistent failure to observe these guidelines could result in loss of housing.**
