CHANGE OF SOCIAL SECURITY NUMBER

International students are sometimes issued a temporary social security number (SSN) to use before they apply for an official one. If you have a temporary SSN and you then apply for and receive a social security card with your unique SSN number, you must notify the Admissions Processing office so they can change your records with the university. To do this:

Complete the Student Information Change Form:

<http://www.twu.edu/downloads/registrar//infochange.pdf>

Take it to the Registrar's Office (ADM Bldg) with:

- ❖ A copy of the social security card
- ❖ A copy of a government-issued photo ID (driver's license, Texas ID card, passport, etc.)
- ❖ If you are a Permanent Resident, include a copy of your PR card.

(You do not need to notify the Office of International Education if you change your social security number.)
