## *IPE Training & Presenting Opportunities*

- **The NAP 2025 Annual Meeting and Forum: [Igniting Interprofessional Collaboration: Strategic Impact Starts with Us](#)** (March 13-15, 2025) Attendees will enhance their ability to collaborate across various healthcare disciplines to improve

health outcomes through integrated care. They will also participate in networking activities to forge professional relationships and explore innovative strategies aligned with Forum themes, enabling them to advance interprofessional education, research, practice, and public policy.

- **The Texas IPE Consortium: Decade of Innovation: [Nurturing Sustainable Pathways in IPE](#)** (Lubbock, TX – April 8-10, 2025) The annual conference is an excellent opportunity to collaborate with IPE professionals and peers. Participate in an IPE simulation challenge, attend the conference and networking dinner, and even take the IPE facilitator certificate course; nurture our journey with IPE with keynotes, workshops, lightning talks, interactive demos, and more. See website or attached flyers for pricing.
