

Highlights

We hosted many IPE events this year. Here are a few highlights from IPE month - April 2024.

Denton

- Giving Kids A Smile - Dental Hygiene, Nursing, Spanish Medical Interpreters and Health Studies students provided screenings and education.
- Developmental activities for Denton Regional Day School Program for the Deaf preschoolers offered by Deaf Education, SLP, OT, and Adaptive Physical Education.

Dallas

- Stroke Boot Camp involved SLP, OT, PT, and nursing students working together to assess and provide wellness care plans for clients from the TWU Stroke Center.

Houston

- Improving Communication IPE involved BSN, PT, and OT students engaged in learning about best practices in shared communication.
- Mock end-of-life family meetings with BSN and TAMU EnMed.

Presentations by Faculty

REACH 2024:

- Jennie Martin & Noralyn Pickens presented for the Dallas team: Stroke Boot Camp: Developing an interprofessional collaborative experience to address community-living for people with stroke.
- Carin Adams & Lori Batchelor (Children's Health System). Practice Partnerships: Taking the Next Steps to Improve Interprofessional Education.

IPE Training Opportunities

Nexus 2023: Free webinar series featuring Nexus Summit 2023 seminars, offered now until July. The [Nexus Summit 2023 Seminar Showcase](#) features nine of the highest-rated peer-reviewed seminars from the Nexus Summit 2023 and covers topics including artificial intelligence (AI), longitudinal assessment strategies, team well-being, health equity, multi-institutional models, and interprofessional advocacy, among others.

- **Texas IPE Consortium:** [The Rapid Teaming in Experiential Learning Environments Certificate Course](#), designed for faculty and preceptors, will explore the concept of teaming as an individual and team learning process beyond traditional healthcare team boundaries. This is a Zoom event that will take place on August 2,

2024 and requires 6-8 hours of pre-work. [Registration](#) available through **July 29, 2024** – registration is limited.

The IPE Committee has limited funds to support registration to training events. Visit our [Google Form](#) (also see in links below) and follow instructions for use of registration funds.

Presentation Opportunities: Upcoming Conferences

The Nexus Summit 2024: Navigating Complexity to Advance Outcomes (September 25, 26, and 30, and October 1, 2024). An all-virtual format on the National Center for Interprofessional Practice and Education's innovative More Than a Meeting™ platform, allowing for broad and accessible engagement of stakeholders in health. The [Nexus Summit 2024 Call for Abstracts](#) has been released, and includes six themes and four presentation formats that will maximize opportunities for our IPE community to showcase accomplishments, outcomes, and innovations. **The abstract submission deadline is May 24, 2024, at 11:59 p.m. ET.**

TSAHP Fall 2024 Conference: Cutting Edge Technologies and Emerging Practices in Health Professions and Higher Education will take place on September 19-20, 2024 at UT Health Science Center at San Antonio. Share your ideas and best practices on cutting edge technologies and emerging practices in health professions and higher education. Abstract criteria posted on the [website](#) under "Conferences" and "Awards". [TSAHP Online Portal](#) - TWU is a University partner/member. Abstract and award submissions **due May 17, 2024**; TSAHP Early Bird Conference Registration – **Before September 1, 2024**

Bulletin Board

Campus Based IPE Gatherings & Activities – How do you get connected? Join in!

****Please let us know about any upcoming summer events!****

IPE Summer Course offering: HS 5753. Interprofessional Collaboration & Health Promotion: Approaches to healthcare promotion and effective collaboration among members of the healthcare community with an emphasis on the diversity of expertise in interprofessional collaborative teams and basic concepts of effective teamwork. Contact [Charlene Dickinson](#) for more information.

Strategic Planning: We are analyzing the data and will share out preliminary themes for further processing. Look for an email soon to share your thoughts on our growth in interprofessional education and collaboration.
