Interprofessional Education Update

Highlights

Congratulations to the [CHS IPE Team Award](#) recipients Barb Baudler (Nurs), Wayne Brewer (PT), Stacy Flynn (PT), & Alicia Lohmann (OT). They were recognized at both the CHS and CON fall semester college meetings. This is now an annual award given to a group of faculty members who have exhibited a distinguished record of IPE and dedication to improving interprofessional collaboration. Their IPE simulation with PT, OT, and nursing has a focus on student self-efficacy regarding communication and collaboration. After three years of refinement, this project's outcomes include one publication and four presentations. Well done IPE team!

Do you have any IPE Research publications and presentations? Alyssa Fiss collaborated on research with colleagues in "[Building Collaborative Capacity in Early Intervention Preservice Providers Through Interprofessional Education](#)". Send us your IPE research updates so we can post on our website.
