Library Guidelines:

Denton

In the Blagg-Huey Library, there are two (2) guest computers located on the first floor across from the Information Desk. To access one of these computers, guests must check-in with the Information Desk using a valid government-issued ID. Please see or call the Information Desk for more details (940) 898-3701.

Courtesy cards for checkout of materials are issued to Denton County residents with proof of residency. If the government-issued ID has a Denton address, this serves as proof of residency. Texshare card holders do not need to apply for courtesy cards.

Guest entry is restricted past 9:00 PM. Guests in the building prior to 9:00 PM may remain. Guests exiting the building after 9:00 PM will be denied re-entry during that visit.

Dallas

Guests can use the Dallas Center Library once they have received a visitor's pass from the front desk or Security Office. They must present a picture ID and obtain a visitor's badge to wear at all times while on campus. They also need a permit for their vehicle if they drive and park in the Visitors' Lot.

- Staff will login to a computer for the patron with internal guest credentials.
- Staff may also login users to any databases with internal guest credentials as long as they are physically at the library.
- Guests will not be given login credentials.
- Guest printing is not allowed in the library.
- Guests may obtain a courtesy card to check out materials. These are issued to Dallas County residents with proof of residency.

Houston

The Houston Center Library has no guest terminals or internal login credentials. All guests are stopped at the Security Desk inside the entrance door and Security Staff verifies the validity of their visit to the library with a phone call to the staff. All approved visitors sign in at the Security Desk, where they receive a temporary day pass. Those who have made an appointment with library staff are escorted to the library and then back out when the appointment is completed. The library has no items for visitor browsing or check-out.

Review:

The Library’s Policy Work Group will review this policy with recommendations forwarded through normal administrative channels to the Dean of Libraries.
