I am requesting to enroll in the NFS Capstone Seminar _____ semester, ____ year. I hereby declare that I have completed the NFS core courses with the exception of the Capstone seminar, and will be in the last semester of my Master's Degree Nutrition studies. The checklist of the required courses and a copy of my transcript are attached with this application. **I understand that I need to receive a 70% or higher in order to pass the Capstone Seminar degree requirement.**

I have finished the following core courses with satisfactory grades, or will be finishing all courses during the semester taking the Capstone Seminar:

___ NFS 5314 Nutrition and Human Metabolism

___ NFS 5363 Human Nutrition and Disease

___ 3 hours of statistics or research design

___ 24 hours of additional courses in major or related areas; (17 of these hours must be in the major area)

Note: A maximum of 6 credit hours for the dietetic internship experience can be transferred in from another approved institution while the intern is in their program. Nine credit hours for TWU NFS dietetic internship programs (Denton and Houston), and the Houston VA program can be credited to the degree.

Completion of the NFS 5332.50 Capstone online seminar will bring the total program hours to 36 hours minimum.

Minor: A minor of 9 graduate credit hours in an area of emphasis can be achieved within the total number of program hours or by taking additional coursework. If a minor is declared, a faculty member in that minor area of study must serve on the academic committee.

Unconditional status is on-file with the graduate school

A copy of my transcript is attached with this application.
