# SESSION DESCRIPTIONS

## **Being Disabled at TWU**

Learn how to apply & utilize accommodations at TWU and ask questions about managing your disability as a college student.

## **Boldly Go Abroad: Education Abroad**

Do you want to live and learn in another country? Education Abroad can help you Boldly Go Abroad for a short-term or a full semester! Join us to learn more about the many opportunities available for you to live in a country outside of the United States while participating in academic courses that will enhance your educational goals.

## **Career Connections**

Learn about all the ways that the Career Connections Center is your most valuable resource for all things career-related, from the time you step on campus, through graduation, and beyond!

## **Career Conversations with Your Student**

Understanding the difference between a major and career helps your student prepare for the coming years. Join the Career Connections Center to learn how to motivate and support your student during their early career development.

## **Check-in**

Be sure to wear your name tag at all times. It is your passport to all meals and activities. Bring your Orientation bag to all sessions.

## **Coffee Mixer**

Parents and families will have the opportunity to meet with faculty and staff from across the university.

## **College 101-A Mock Class Experience**

Your student will spend on average 15 hours in class every week. You might be wondering what this experience is like and how they will manage the various expectations. Come get a taste of the in class student experience as we review an example syllabus, technology expectations, and collaboration opportunities as a part of the first-year experience.

## **Dining Session**

This session will give an overview of the TWU Meal Plans and the Dining Program.

## **Financial Aid and Payments**

In this session, you will learn about the different options available to you for payment of tuition and fees, including the utilization of the installment plans. We will also walk you through the process of financial aid and the refund procedure after financial aid is applied to your account.

## **Fitness & Recreation Center Tour**

Here's your chance to learn about fitness and recreation at TWU. You will tour the facilities and Gaming/e sports lounge to learn about the programs and events Fitness & Recreation provide students throughout the year.

## **Get Involved**

The Center for Student Development and Student Union is your point of connection to involvement, service, and the TWU community. This interactive session offers information about campus events, student organizations, volunteer opportunities, leadership programs, and other involvement opportunities. We want to help you become engaged and immersed in the campus community.

## **Getting to Know Your College**

## Sorority and Fraternity Life 101

Consider spending some time learning about Sorority and Fraternity Life at TWU! Members typically maintain high GPAs, are involved all around campus and positively contribute to our TWU and Denton communities. We will review topics like how to join, benefits of membership and safety. Come join our Family!

## Living on Campus - All You Need to Know

You are living on campus, now what? Join us to learn more about living on campus, move-in, what to bring to campus, dining plans, events, resources, Living Learning Communities (LLC), and the residential experience.

## Living on Campus - All You Need to Know (Parent Session)

Your student is going to college and living on campus. What does that mean? Where will they live? When will they move in? These and one thousand other questions are flowing through your mind. University Housing & Dining is here to help reduce the stress, answer some of your questions, and give YOU some homework to do prior to Move-in.

## Majors Exploration Fair

Students will have the opportunity to explore the different majors offered at TWU and speak to faculty and staff from those departments. Students are encouraged to seek out alternatives to their intended major, explore possible minors, or identify a parallel plan to pursue. This is a great time for students to ask questions about any of the degrees, minors, and certificates offered before they meet with their academic advisor.

## OL Panel Q & A

In this session, you will have the opportunity to listen to and ask questions from current TWU students. There will be a panel of Orientation Leaders that can give you an honest student perspective about their experiences.

## Resource Fair

This is your first opportunity to learn about the many services and resources available to you. Various campus departments will showcase their services and how they contribute to the success of students at TWU. Visit tables for information and giveaways!

## Student Planning & Registration

Student Planning & Registration is a time for students to meet with their academic advisors and learn detailed information about their area of study at TWU. Together, students and their academic advisors will create a class schedule and register for classes.

## Small Decisions Big Impact

This session will provide valuable information on a variety of issues that can impact student success. Topics will include school communications, where to find important resources, student privacy rights, and key legislative items that can impact future tuition charges.

## Small Group Meeting #1

You will meet your Orientation Leaders and other new students. You will be introduced to the university, academic life at TWU and have the opportunity to get to know your peers.

## Small Group Meeting #3

This final meeting with your Orientation Leaders will help prepare you for the class registration process. This is also a great time to ask your Orientation Leaders any lingering questions you may have.

## Student Org Fair

During the Student Organizations Fair, TWU student organizations will be available to showcase their involvement in campus life. You will have the opportunity to talk with organization members to find out how you can get involved during your first semester at TWU.

### **Supporting From Afar Part 1 - Academics and Faculty Panel**

This session will highlight important academic resources that you can share with your student to ensure a smooth transition to TWU. This session will also include an opportunity to learn about academic life and the expectations of TWU faculty and an opportunity interact with TWU faculty.

### **Supporting From Afar Part 2 - Health and Safety**

Representatives from the areas of Civility & Community Standards, Counseling & Psychological Services, Title IX, Department of Public Safety, and Student Health Services will be available to answer questions about campus culture and expectations, how to help your student during times of crisis, campus safety, and how to encourage healthy habits.

### **Top Tips for Helping your Student Survive and Thrive as a TWU Commuter**

This session will provide insider tips on campus resources, parking, where to eat, getting around. You'll learn how to help your student avoid the 13th grade syndrome and other common challenges for first year commuters. This session includes time for questions and candid conversation.

### **Top Tips for Surviving and Thriving as a TWU Commuter**

Welcome to campus, Commuters! This session will provide insider tips on campus resources, parking, where to eat, getting around, and other important information about campus.

### **Welcome**

Join your family members and future classmates for the official welcome address by University administrators and the 2024 Orientation Leader team! You will also have the opportunity to participate in TWU spirit and traditions!

**ID Services (Student Union at Hubbard Hall, Room 2209, #30 on map) will remain open until 3:00 PM for you to obtain your student ID.**
