

How to Search for HUB Certified Vendors

1. Go to the Window on State Government website at <https://mycpa.cpa.state.tx.us/tpasscmlsearch/index.jsp>
2. Search
 - a. First by "HUBs on CMBL"
 - i. This will take you to the Centralized Master Bidders List (CMBL). This is a list of vendors registered with the State of Texas. Each vendor lists the various NIGP Class Codes and Items they provide.
 - b. Second by "HUBs Only"
 - i. HUBs not on the CMBL are still State certified but they have not paid to be listed on the CMBL.

Centralized Master Bidders List - HUB Directory Search

The **CMBL** is a master database used by State of Texas purchasing entities to develop a mailing list for vendors to receive bids based on the products or services they can provide to the State of Texas. Manufacturers, suppliers, and other vendors wishing to furnish materials, equipment, supplies, and services to the state should register for the CMBL to receive bidding opportunities.

The CMBL/HUB Directory Search is automatically defaulted to "CMBL Only" to perform a search for vendors, including [Texas certified HUBs](#) who have elected to [register on the CMBL](#). Purchasing entities use [NIGP Class and Item Codes](#) within the "Multiple Vendor Search" feature to identify vendors who can provide the products or services they want to purchase, and to develop mailing lists of vendors to receive bids.

For detailed explanations of the various search and data output features (i.e., Search For, Single Vendor Search, Multiple Vendor Search, Business Category / Vendor Location Search, Select Fields For Output, Output Options) that may be used to create lists of potential vendors as well as retrieve detailed information on a specific vendor, click [CMBL/HUB Directory Search Tips](#).
