

ALTT: Cumulative Academic Credit GPA Totals

Introduction

Access students' attempted credits, cumulative completed credits, cumulative GPA as well as TWU attempted credits, completed credits and institutional GPA.

Attempted credits are registrations the student remained in past census date. Courses which a student completed but failed will count as attempted but not completed, as will courses that are dropped or withdrawn after census date.

*Completed would indicate successful completion of the course with a non-failing grade.

Instructions

1. Access mnemonic ALTT
2. Enter student ID
3. Select academic level
