

## "TWU Dallas Student Life" Video Script

### Entrance Scene

**Student-1 VO:** First week at TWU—down! I managed to find all my classes. I know where all the bathrooms are. Now, I just have to get involved to brush up my resume. There's a lot going on on this floor.

### Student Life Office Scene 1

**Student-1:** Hi! Is this where I can join a student organization?

**Student-2:** Yes! Welcome to Dallas Student Life. You're in the right place. We help students add to their Dallas experience. Here's a list of a few organizations to get you started.

**Student-1:** Thank you. This is great. Joining a student organization will definitely help build up my resume, so thank you!

**Student-2:** Yes, no problem! Have a good first day!

**Student-1:** Bye, thank you!

### Microwave/Fitness Center Scene

**Student-1 VO:** Wow, I'm so hungry. At least I meal-prepped for today, but whatever they're making in the café smells really good.

**Student-1 VO:** Oh, she must have had a good workout today. I forget that we have a fitness center here on campus. I'll have to make sure I schedule some time this week.

**Student-1 VO:** Uh! I gotta eat this real quick. I have to meet my study group upstairs by the library.

### Library/Family Weekend Scene

**Student-1:** Hey y'all!

**Students-2&3:** Hey!

**Student-1:** What are y'all up to?

**Student-2:** Oh, we're actually talking about Texas Woman's Family Weekend here in Dallas. Yeah, my child won't stop talking about it. We went last year, and it was really fun! We're actually thinking about bringing both of our families again this year. It's a really cool tradition. Are you gonna go? There's only a couple of days left to register.

**Student-1:** Um, I'll think about it. It sounds like fun...seems like a good tradition. I'll...but I'll definitely tell my parents. They'll probably love coming.

**Student-3:** Yeah! You should go. There'll be really great events there.
