VeteranBenefits Intent to Register Form

This form is used to inform the TWU School Certifying Official if the student will be using Veteran benefits. The form also verifies that the student has been advised by an academic advisor. All information is required before the request is submitted. This form does not prevent the student from registering for classes. This form will not protect the student for non-payment during drop dates; only CH 33 (Post 9/11) students are protected from being dropped for non-payment. This form is not an official TWU document to drop classes. In accordance with the Family Educational Rights and Privacy Act, by submitting this form you authorize TWU to release any of your educational records needed for the purpose of compliance with VA and/or State regulations and for facilitating the certification and receiving of Veteran educational benefits.

By submitting this form the Student understand what will happen if they received a debt for overpayment or if they received an FS or FN grade.

Term: _____

For those using CH 33(Post 9/11) the option to have your tuition and fees (T/F) submitted early is available. However, please know that ifclasses are dropped or a student withdraws after T/F have been submitted, a debt for overpayment is created. TWU will send theoverpayment to VA, leaving the student with a debt to TWU they will need to pay before next term.

FS and FN grades. If a student stops attending classes, or never attends, and does not withdraw from term, or drop classes, by submitting the proper forms to do so, TWU will mark that class with a FS or FN grade. This does not happen until end of term. Once I receive these grades, I must adjust the term. This will create a debt to the student.
